GROW: An Opportunity to Refresh, Renew, or Ignite Your NMT Passion is approved by the Certification Board for Music Therapists (CBMT) for 4 Continuing Music Therapy Education credits. The Great Lakes Region of the American Music Therapy Association, #P-021, maintains responsibility for program quality and adherence to CBMT policies and criteria.

Course Description:

You're invited to come and **GROW** with us! Engage in an opportunity to refresh, renew, or ignite your passion for Neurologic Music Therapy (NMT). Gain new perspectives on instruments and equipment used in NMT techniques. Discover and share **Resources** with your colleagues in the profession. **Observe** current clients participating in NMT interventions in real time. Engage in a **Workshop** setting conducive to collaboration, discussion, and feedback from peers.

Learner Objectives:

- 1) By the end of the workshop, participants will develop a wish list of five (5) or more instruments and/or equipment to refresh their NMT toolboxes.
- 2) Participants will be exposed to a minimum of eight (8) useful resources utilized by LIH therapists to enhance and facilitate NMT techniques.
- 3) Participants will observe a minimum of three (3) live demonstrations of NMT techniques from the three (3) domains of functioning.
- 4) Participants will actively participate in group collaboration and discussion a minimum of three (3) times.

About our Presenters:

Life in Harmony Music Therapy, LLC (LIH) provides music therapy services to individuals in La Crosse, Wisconsin and the surrounding area. LIH was established in 2008 and continues to provide client-centered music therapy services to a diverse population of individuals with varying medical needs. The staff at LIH strongly believe that music therapy accompanies individuals of all ages from birth, to elder care, and even at end of life. We strive to provide tailored music experiences to meet the social, cognitive, physical, and emotional needs of each individual while developing a strong therapeutic relationship with each client and family. LIH is home of the Songbird Express, a mobile music therapy studio which travels to communities around the La Crosse Region in an effort to offer innovative, clinic-based services in more remote settings. LIH's staff are Board-Certified Music Therapists (MT-BC) and have additional training and certification in Neurologic Music Therapy (NMT). The LIH team is comprised of a Director of Services, Administrative Assistant, Office Assistant, and 7 Board-Certified Music Therapists. In 2017, The students of the Great Lakes Region-American Music Therapy Association (GLR-AMTAS) selected LIH as one of two recipients of the "Gift of Music" grant. This annual award aims to recognize small businesses providing music therapy services in the Great Lakes Region.

Amy Schaack, MT-BC, WMTR, is a board-certified music therapist and the founder of LIH. She graduated from the University of Wisconsin – Eau Claire with a bachelor's degree in music therapy. She completed her internship at the Royal Children's Hospital in Melbourne, Australia. Amy completed her Neurologic Music Therapy certification in February of 2012 and completed her Fellowship training in August of 2014. She grew up in Southwestern Wisconsin and returned to La Crosse to begin her profession as a music therapist. She started LIH in 2008 and serves individuals of all ages and varying medical needs in the greater La Crosse area. Amy's primary instruments include piano, guitar, and voice and she has a special interest in songwriting and clinically utilizing music for emotional expression. Amy received the great honor of being recognized by the Wisconsin Chapter of Music Therapy (WCMT) as the 2018 Music Therapist of the Year.

Sarah Kolander, MT-BC, WMTR, is a board-certified music therapist who graduated from Wartburg College in Waverly, IA, with a bachelor's degree in music therapy and music education. She completed her internship at Music Therapy Services of Waukesha County, LLC in Hartland, WI. Sarah completed her Neurologic Music Therapy certification in October of 2012 and completed her Fellowship training in August of 2014. Sarah grew up on a dairy farm in central Wisconsin and loves having the privilege of living and working in her home state. Her interest in music therapy stemmed from a love of sharing music with her younger sister, who has Down syndrome. Her primary instruments include piano, guitar, hand drums, and voice. Sarah has been providing music therapy services through LIH since August of 2011.
